We Make Happy Happen™

Since our founding in 2014, we've been delivering happiness through our subscription-based monthly candy box. In 2018, we began creating sweet moments for retail customers, too. Candy Club provides an opportunity to bring a candy store experience into your store — every holiday, season, and day of the year.

The Candy Club experience starts with our whimsical, colorful packaging which creates an eye-catching display that appeals to both kids and adults alike. Add the delectable taste of our specialty curated candy and a perfect combination of modern nostalgic fun is created!

Candy Club products bring the fun of a nostalgic candy store with a modern twist of today's premium flavors. We've answered an unmet consumer need – premium candy at affordable prices and they are loving it! How can we tell? Consumers give us tasty reviews and over 90% of our retail customers are repeat buyers and continuously enjoy sweet incremental sales.

Whether shoppers are buying Candy Club as a gift, to share with others, or to indulge themselves — it brings a bit of "sweetness" to anyone's day. From small to large, gift sets to bundles, everyday, seasonal, or holiday — Candy Club has products that suit all occasions and tastes.

Sweetly sized and priced, Candy Club brings customers back to your store — over and over again.

So come on! Let's Make Happy Happen™ for you AND your shoppers.

Sweetly,
Candy Club
